ROCHESTER RAGING RHINOS

2006 USL FIRST DIVISION MEMBERS

Prior to the 2005 season, United Soccer Leagues announced that the organization and its member professional teams have restructured the two professional leagues, A-League and Pro Soccer League, under the USL umbrella to form a new two-tiered professional division.

The two tiers of USL's professional division are now officially referred to as the *USL First Division* and *USL Second Division*, eliminating the A-League name adopted by the then independent American Professional Soccer League in 1995.

Among the significant changes in place were adoption of a single table by the First Division, the official capping of the First Division to 16 teams and the introduction of a 28-game primarily balanced schedule in which all teams will play each other home and away one in the First Division supplemented with an equal number of additional rivalry games. To further emphasize regular season excellence, the regular season champion will be awarded the Commissioner's Cup, which was utilized by the APSL prior to the league's merger with the USL before the 1997 season.

PAETEC PARK

The dream of the multi-purpose stadium for the Rochester Raging Rhinos, Rochester Rhinos women's soccer club and the Rochester Rattlers will become a reality on Saturday, June 3rd when the first ever game is played at Western New York's Premier Sports & Entertainment Venue. That evening the Rochester Raging Rhinos will host the Virginia Beach Mariners in a United Soccer League First Division game at 7:30 p.m. at PAETEC Park.

"PAETEC Park will be a magnificent addition not only to the soccer community, but the city of Rochester and its surrounding areas," said Rhinos President Frank DuRoss. "It will provide a major league atmosphere for Rhinos soccer and Rattlers lacrosse games. It will also create an intimate setting for other events such as concerts, drum and bugle competitions and high school and college sports."

The Rhinos and Rattlers broke ground at the stadium, which was named for local telecommunications company PAETEC Communications Corp., on January 15, 2004. On April 10, 2005 site preparation began for Phase I of the project. Phase I construction cost was estimated at \$24.5 million and included a \$15 million grant from the State of New York (which was committed in 2000) and a multi-million dollar private investment from the Rhinos in the form of commercial financing, a food concessionaire financial commitment, cash contribution from the Rhinos team, and development and land acquisition costs.

In late March of 2006, the Rhinos received grants in the amount of \$4 million from the New York State Senate and \$4 million in additional funding for PAETEC Park, from the New York State Assembly. The money from the New York Senate and Assembly was allocated for the construction of the 18 luxury suites, press facilities, video scoreboard, a graphics package, dedication lane, commissary and permanent locker rooms as well as star dressing rooms for concert performers.

PAETEC Park will also feature permanent administrative offices, a production room, team store, a fan accommodation area, guest services, a picnic area, surface parking, multiple restrooms and concession areas for food and beverages.

Phase I included 13,500 permanent seats and additional seating in the open endzone, the mezzanine level on the Broad Street side and further temporary bleacher seating. The stadium is divided into Club, Premium, Upper Center, Lower Center, and Endzone Bleacher seating areas. The 785 club seats offer amenities such as wider 21-inch seats, VIP parking passes, lineup sheets and first option seating for any event in the facility.

One of the crown jewels of the stadium is the playing surface. In November 2005, the Rochester Rhinos and Rattlers selected FieldTurf for the soccer specific stadium. FieldTurf was the very first artificial surface to attain FIFA certification due to its superior grass-like performance, which soccer players prefer. FieldTurf fields around the world have passed the international governing body's stringent testing and continue to be the field of choice.

FieldTurf has already installed 22 FIFA-recommended soccer pitches across the globe with several others, such as PAETEC Park, currently under construction. These fields have hosted World Cup qualifiers, UEFA Champions League, and UEFA Cup games. The 2005 USL Division One championship between Seattle and Richmond was played on FieldTurf at Qwest Field.

PAETEC PARK

The PAETEC Park field is 77x120 yards with 15-20 feet clearance on the sides. It features permanent lines for soccer and temporary paint for other events. With the addition of Rochester, who averaged 10,000 fans per game last season, almost half of the 12-team USL First Division will be playing home games on artificial turf during the 2006 season. The Seattle Sounders were the first USL club on FieldTurf at Qwest Field, also home to the NFL Seattle Seahawks.

"We needed a field that could take the number of events we're going to have as well as the weather conditions in upstate New York," said DuRoss.

The first major event booked at PAETEC Park was the Drum Corps Associates (DCA) 2006 World Championship. The event, slated for Labor Day weekend, is expected to promise a \$12 million to \$13 million economic impact in Rochester. The Drum Corps Championship will bring over 3,000 corps members and 10,000 spectators to the area. There will be drum corps participants from the United States, Canada, Holland and Japan.

The stadium plans to host nearly 60 events from June to October, including USL, W-League and high school soccer, Rochester Rattler and high school lacrosse, football games and concerts. The facility also hopes to host a Buffalo Bills' inter-squad scrimmage. The Rhinos hosted the U.S. National Women's Team twice at their previous home and will pursue U.S. National Team soccer matches at PAETEC.

"The fans in Rochester are very soccer-knowledgeable and the Rhinos knew that they had to have a first-rate field," said Hank Steinbrecher, the former Executive Director/ Secretary General of US Soccer and currently an Executive Vice President of FieldTurf. "We are dedicated to the game and are proud to be working with the Rhinos in their development of a great American soccer stadium."

The construction of PAETEC Park is under the management of LeChase, a locally based company, which was selected by the organization from a short list of five firms. LeChase has also been involved with the building of other Rochester-area projects such as Bausch and Lomb's world headquarters, the St. John Fisher Athletic Complex and the City of Rochester's Public Safety Building.

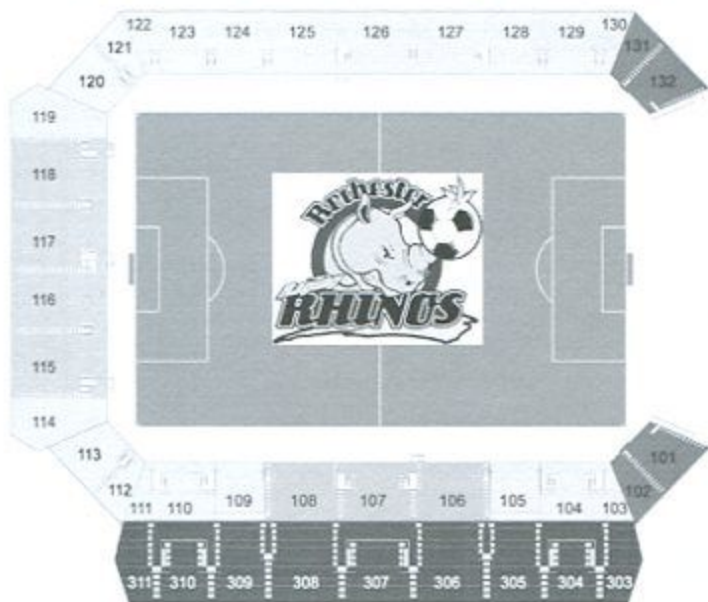

The stadium was designed by HOK Sports Facility Group in Kansas City, Missouri. HOK has worked with 29 of the 32 National Football League franchises and 22 of the 28 Major League Baseball teams. Clients of HOK include numerous professional and collegiate soccer, basketball, hockey and rugby teams. HOK has recently designed soccer stadiums in Australia and New Zealand.

FRANK DUROSS President

Frank DuRoss began his climb in the corporate community in 1976 when he entered a partnership with his brother Jim and was named vice president of Oneida Building Services, Inc. – a company the DuRoss brothers would sell in 1986 to International Service Systems, Inc.

In 1980, Frank again teamed up with his brother to create Oneida Asbestos Removal, Inc. This highly successful property had \$24 million in annual sales, and at the time, was one of the 350 fastest growing privately held companies in the country.

In 1987, DuRoss ventured into the sports industry when he was named president of the Utica Devil's of the American Hockey League (AHL). Four years later he co-purchased the Maine Hockey Club and moved them to Providence, where it became one of the league's strongest franchises, winning the Calder Cup in 1999. On April 10, 2001, Frank purchased 100 percent of the Providence Bruins from his former partner Ed Anderson. He serves on the Executive Committee of both the American Hockey League and the United Soccer League.

Frank B. DuRoss has owned the Rochester Rhinos soccer team, a Division II Club since the team's inception in 1995. A native of Utica, NY, DuRoss has been the catalyst in the Rhinos drive for PAETEC Park, a new multi-purpose outdoor stadium in Rochester, NY.

Frank's tireless efforts, including work with local and state political leaders, secured funds for the new stadium, a 13,500-seat soccer specific stadium. The State of New York committed \$15 million for the project in downtown Rochester. Western New York's Premier Sports & Entertainment Venue will open on June 3, 2006.

DuRoss, a co-founder in Major League Lacrosse, operates the Rochester Rattlers lacrosse team, a member of the 10-team league. The Rattlers have advanced to the MLL Semifinals in 2001, 2004 and 2005.

He was also part of an investment group that managed the restaurants, concessions and novelty operations of the ESL Sports Centre, a four-arena, multi-purpose complex on the campus of Monroe Community College in Rochester, NY. In addition, he was the co-founder of the National Lacrosse League (NLL) and at one time owned the Boston Blazers.

In 2005, Frank DuRoss was honored by the United Soccer Leagues, along with partners Steve Donner and Chris Economides. The ownership group was inducted into the 2005 USL Hall of Fame as builders. The Rhinos were also honored as the USL First Division Organization of the Year. Last year, DuRoss and his partners also added another soccer team to the local sports landscape, purchasing the Rochester Ravens of the W-League. The team has since changed its name to the Rochester Rhinos.

FRANK DUROSS
President

In 2006, the men's and women's soccer teams and the Rattlers will move into their new home, PAETEC Park, in downtown Rochester. DuRoss was instrumental in the project and was there on January 15, 2004, at the groundbreaking ceremony at site, which touches Oak Street, Smith Street and Lyell Avenue.

Presently DuRoss owns Sylvan Strands Realty Corporation and DuRoss Realty Corporation, and commercial real estate property development companies. He also formerly owned various media properties, including radio station (WOWZ FM-97.9) in Utica and the rights to a television station in Des Moines, Iowa, and Greenville, SC.

Frank and his wife, Liz, have two children, a daughter Noelle and son-in-law Tom Accuri, a son Frank Jr., and daughter-in-law Anne and three grandchildren, Taylor, Alyssa Bella and Olivia.

STEVE DONNER

Chief Operating Officer

Steve Donner's name is synonymous with Rochester sports. In little over a decade, he has rejuvenated the professional sports scene in the Flower City and captured six championships in the process.

He began by organizing a group of local owners who purchased the Amerks from the Buffalo Sabres in June 1995. He then secured a franchise in the Major Indoor Lacrosse League, the Rochester Knight-hawks. He also played an instrumental part in bringing professional soccer back to Rochester and his Raging Rhinos are nationally renowned. Donner and his partners also brought Major League Lacrosse to the city of Rochester with the founding of the Rattlers.

Donner's next project was the creation of the ESL Sports Centre on the campus of Monroe Community College, a four-pad, multi-use, state-of-the-art indoor training complex, which is the official training facility of the Amerks. His latest project is PAETEC PARK. In 2004, Donner and his partners broke ground on the outdoor multi-purpose stadium in downtown Rochester. The facility will serve as the home for the Rhinos and Rattlers in 2006.

Donner, a native son, grew up in Rochester's 19th ward and attended Aquinas High School. He would take his schooling to the University of Dayton in Ohio, all the while focusing in on the "sporting life." His first taste of pro sports came in 1979 with the Dayton Gems, where he did everything from selling programs and advertising to dressing in a few games as the backup goalie.

The following season, he returned home and became the first Marketing Director in Rochester Americans history. He stayed with the Amerks until 1983, when he was promoted to Buffalo. Donner would spend the next nine seasons working in the Sabres' marketing department. He began his stint in Buffalo as the Sabres' Sales Manager and later became the Director of Marketing, a job with responsibilities that included overseeing every aspect of the Sabres' marketing, advertising, promotions and ticket sales departments.

In 1992, Donner joined the expansion Tampa Bay Lightning as the Vice President of Sales and Marketing. He spent two seasons in Tampa and much of the Lightning's marketing success is due in large part to Donner's hard work and ingenuity. He is responsible for Tampa's Fan Land, an interactive play area for the young and old alike.

Donner returned home to Rochester in 1994 to become the President and CEO of the Rochester Americans; his long-term goal was to become the owner of the proud franchise. He realized his goal much earlier than expected and became the owner of the Rochester Americans Hockey Club during the summer of 1995.

In 1996, the Rochester Americans won the Calder Cup in the franchise's first year of local ownership. That same season, Donner was awarded the James C. Hendy Memorial Award as the AHL's outstanding executive, based on his contributions to the league. In 2000, the organization hosted the hockey world at the 2000 Kodak AHL All-Star Classic, January 16-17.

STEVE DONNER

Chief Operating Officer

The Knighthawks lacrosse franchise established itself early as a successful member of the MILL, qualifying for the playoffs in each of its first three seasons and capturing the championship in 1997. In the summer of 1997, Donner and some partners unveiled a new pro lacrosse league named the National Lacrosse League, and the Knighthawks completed their ninth season in the NLL in 2006. The 'Hawks have been to the playoffs a league-record 12 straight seasons. Rochester also hosted the first NLL All-Star Game in 1998. In 2003, the 'Hawks hosted their first NLL Final.

Donner is also president and partner of the Rochester Rattlers lacrosse team. The Rattlers are a member of Major League Lacrosse and have advanced to the semifinals in 2001, 2004 and 2005. The Rattlers are an original six team in a league that has expanded to 10 for the 2006 season.

The Rochester Raging Rhinos professional soccer team opened Rochester's Frontier Field to nearly 15,000 fans in the summer of 1996. In their first season, the Rhinos qualified for the A-League and U.S. Open Cup Finals, and the team was the talk of U.S. soccer on the field, at the box office and in the stands. The organization's success earned it the right to host the 1997 A-League All-Star Game. In 1998, the team soared through the A-League season, rewriting record books with a 24-4 regular-season record and eventually capturing its first A-League Championship. The 1999 edition of the squad captured the U.S. Open Cup Championship, the oldest existing soccer tournament in the United States. In 2000 and 2001, the Rhinos won the A-League Championship. In the franchise's first 10 seasons of existence, the Rhinos have averaged nearly 10,000 fans per game.

In 2005, Steve Donner was honored by the United Soccer Leagues, along with partners Frank DuRoss and Chris Economides. The ownership group was inducted into the 2005 USL Hall of Fame as builders. The Rhinos were also honored as the USL First Division Organization of the Year. Last season, Donner and his partners added another soccer team to the local sports landscape, purchasing the Rochester Ravens of the W-League. The team has since changed its name to the Rochester Rhinos.

In 2006, the Rhinos soccer teams and the Rattlers will move into their new home, PAETEC Park, in downtown Rochester. Donner was instrumental in the project and was there on January 15, 2004, at the groundbreaking ceremony at the site, which borders Oak Street, Smith Street and Lyell Avenue. The 13,500-seat stadium will open on June 3, 2006 with a USL First Division soccer game.

Steve Donner was born on 5/04/57... Steve has two daughters, Megan and Stephanie... His wife, Lynne, has a daughter, Teegan, and a son, Harrison... Steve and Lynn also welcomed Steven MacKenzie into the Donner family in March 2004... The family resides in Rochester, NY.

MATTHEW FORD Executive Vice President

Matthew Ford oversees all business operations of the Rochester Raging Rhinos and Rattlers as well as those of PAETEC Park.

A native of Grimsby, England, Ford graduated from Lock Haven University with a Bachelor of Science in Recreation and East Stroudsburg University with a Master of Educa-

tion in Sport Management.

Ford followed graduate school with a position as the Team Operations Coordinator with the Hershey Wildcats of the USL A-League in 1998. He was charged with directing and managing the business and game day operations of the franchise as well as planning and executing international tournaments and events such as the 2000 Olympic Qualifying tournament for CONCACAF. Ford is also credited with the successful management of the 1998 A-League All-Star game in Hershey, Pennsylvania.

Ford was honored with the USL Key Grip Award in 1998 as the A-League Operation's Director of the year. However, his experience with Hershey was not limited to the front office. He was a successful player for the Wildcats from 1998 to the 2000 playing in a variety of positions in midfield and as a striker. Ford had previously appeared in the USL playing for the Delaware Wizards in 1995 and 1996.

Continuing to elevate up the Wildcats hierarchy, Ford was promoted to General Manager in October 2000. Accepting the role of leading day-to-day operations, including ticket sales, marketing and personnel issues, much of his efforts were reflected in the Wildcats most successful season in the history of the club.

In December of 2001, Ford became the General Manager of the Sports and Entertainment Group in Hershey. His successes included the operation of multiple sports and entertainment venues with over one million ticket sales annually. He is also credited with the booking of several regional and nationally known events to Hershey properties. In 2002, Ford oversaw operations for the opening of the Giant Center, Hershey's state of the art Arena, home of the Hershey Bears AHL franchise. Most recently Ford served as the Director of Special Events and Entertainment for the Hersheypark Sports and Entertainment Complex in Hershey.

Ford and his wife, Jenny, reside in Brighton where they live with their two-year-old daughter, Jayden.

LAURIE CALLOWAY
Head Coach

(1970-71) and York City (1971-73). After a solid career as a defender in England, Calloway tested the waters of North America and came over to play with the San Jose Earthquakes of the NASL (1974-1979). In his first season, he was named an NASL All-Star on defense. Calloway retired in 1980.

After his playing days were over, Calloway turned to coaching. Calloway spent time with the California Surf (1981) and the Seattle Sounders (1983) in the NASL. Calloway also coached in Salt Lake City and San Francisco (1991-95) in the APSL.

Calloway has the distinction of being named the first head coach in the history of the San Jose Clash (now Earthquakes) of Major League Soccer in 1995. His Clash team hosted the MLS' Inaugural Game and defeated D.C. United 1-0, in front of 31,683 fans at Spartan Stadium in April, 1996. Calloway led the Clash to a 20-27-0 record in his two-season tenure with the club.

In 2001-02, Calloway returned to the professional ranks with the Des Moines Menace, a fourth-division team in the USL Premier Development League. In his first season, he led the team to a 15-0-3 mark, only the third undefeated season in USL amateur history. During the 2002 season, the Menace nearly knocked Rochester out of the U.S. Open Cup. The Rhinos narrowly escaped with a 3-2 overtime win at Frontier Field. The Menace won the Heartland Division during the 2002 PDL season. Calloway led the Menace to a 26-12-8 record in two seasons.

Calloway spent the 2003-04 seasons with the Syracuse Salty Dogs. In 2004, Calloway led his squad to the Eastern Conference finals against the eventual A-League Champion Montreal Impact. Calloway compiled a 26-20-10 record over two seasons in Syracuse.

Last season, Calloway and the Rhinos advanced to the Semifinal round against the Richmond Kickers after finishing the regular season with a 15-7-6 record.

Calloway and his wife, Marci, live in Rochester with daughter, Taylor.

WILLIE FITZPATRICK

Assistant Coach

Willie Fitzpatrick has been a key reason for the growth and success of soccer in Rochester over the past 20 years. The Dublin, Ireland native came to the United States in 1969 after an extensive career in Ireland with the Shamroc Rovers and the Tolka Rovers. Fitzpatrick was named the head coach of the Finger Lakes Community College Men's Soccer Team last season. In 2004, Fitzpatrick was an assistant coach for the Syracuse Salty Dogs (A-League) under the direction of Laurie Calloway.

Fitzpatrick was also the head coach at SUNY Brockport from 1994-1996. He also has coached varsity soccer at the high school level in Rochester. Since the fall of 1998, Fitzpatrick has been involved heavily with the Rochester Junior Rhinos. He has focused his development efforts with the Junior Rhinos under-17 and under-19 teams competing in the Region I league and the Super Y League. Fitzpatrick has also been involved with New York State West (NYSW) Olympic Development Program (ODP) since 1984 and was the NYSW State Coaching Director from 1996-2000. Overall, Fitzpatrick holds a USSF A License and a National Youth License. He has been a part of the NYSW Instructional Staff for F-E-D-C licenses since 1991.

Last season, Fitzpatrick and the Rhinos advanced to the Semifinal round against the Richmond Kickers after finishing the regular season with a 15-7-6 record.

BILLY ANDRACKI

Goalkeeper Coach

Former Rhino Billy Andracki rejoined the Rhinos for his tenth season last year, serving the role of assistant coach. Andracki, one of the most popular players in franchise history, spent the 1996-2003 seasons in goal for the Rhinos before retiring after the 2003 campaign. Andracki holds the Rhinos record for career victories (55) and saves (420).

An "Original Rhino," his 29 career shutouts rank second all-time behind Pat Onstad, and he also ranks in the team's all-time top ten in games played (105), started (103), and minutes played (9,533). In June 1997, Andracki established a single game mark with 13 saves and also holds the single season record with 151 stops. A member of all four Rhinos Championship teams, Andracki is tied with Onstad as the all-time leader in U.S. Open Cup wins with 6.

Don Stevens enters the 2006 Rhinos soccer season as the only "Voice of the Rhinos" in franchise history.

In his ten previous seasons as the Rhinos broadcaster, Stevens has called five A-League championship games and two U.S. Open Cup finals. In addition to his duties as the Rhinos play-by-play man, Stevens recently completed his 20th season broadcasting the games for the American Hockey League's Rochester Americans.

During his career, broadcasting has taken the Wainwright, Alberta native all over the United States, Canada, Europe and Puerto Rico. He has also worked in such markets as Seattle, San Diego, Denver, Minneapolis, Salt Lake City and Phoenix.

Throughout his career, he has received numerous awards for his work on radio and television. In 1993-94, he won the AHL's James H. Ellery Award, given to the person that has made outstanding contributions to the progress of the AHL, for his work on the Amerks Radio Network. ROCHESTER RAGING RHINOS LAMAR HUNT U.S. OPEN CUP

WHAT IS THE LAMAR HUNT U.S. OPEN CUP?

Dating back to 1914, the U.S. Open Cup is the oldest cup competition in United States soccer and is among the oldest in the world. Open to all affiliated amateur and professional teams in the United States, the annual U.S. Open Cup is a 90-year-old single-elimination tournament.

In a nutshell, the U.S. Open Cup is very similar to domestic cup competitions popular throughout Europe, South America and the rest of the world. Cup competitions, which usually run concurrent with a country's league season, are open in the early stages to any club that can qualify, giving local amateur teams a chance to compete against the best teams a country has to offer.

Although it is now a complete "knock-out" tournament, with a few exceptions the U.S. Open Cup final was a two-leg, home-and-away series between 1928 and 1968. Despite the prominence of the North American Soccer League from 1967 to 1984, NASL teams rarely showed the inclination to enter the U.S. Open Cup competition. In fact, until the emergence of Major League Soccer, full professional teams were almost non-existent in the competition. That has changed in the last nine years, though, with MLS taking part since 1996, thus helping to make the tournament a true "national" championship.

In 1999, the U.S. Open Cup was renamed the Lamar Hunt U.S. Open Cup to honor the long-time soccer supporter and pioneer. Hunt, the owner of the Kansas City Wizards and Columbus Crew of MLS and the owner of the Dallas Tornado of the old NASL, was one of the sports first major ownership figures and is a member of the National Soccer Hall of Fame.

The winning team of the U.S. Open Cup will have their name engraved on the Dewar Cup trophy that has been permanently retired at the National Soccer Hall of Fame in Oneonta, N.Y.

RECENT WINNERS INCLUDE:

- 2005 - Los Angeles Galaxy (MLS)

GLOSSARY OF TERMS

Advantage Clause

Applied by the referee when, in his opinion, calling a foul would give an advantage to the offending team. No foul is called and the referee signals "play on."

Boots

Another name for soccer cleats.

Center (Cross)

When the ball is passed from a wide area of the field to the penalty area.

Chip

A high pass that is lifted over the heads of an opponent.

Clear

Kicking the ball by a player in an attempt to get the ball out of their own penalty area.

Corner Kick

A direct kick taken by an attacking team from the corner of an opponents field. A corner kick is awarded when a defending team advances the ball past its own endline (not including a goal).

Defender

Player who ordinarily is positioned near his own goal behind the midfielders and forwards and whose primary responsibility is the prevention of the opponent from scoring. Also called a "fullback."

Direct Free Kick

Usually awarded after a foul, the ball is placed in a stationary position and may be kicked directly into the opponents goal without first being touched by another attacker. Corner kicks and penalty kicks are also direct free kicks.

Dribble

A way of advancing the ball by using the feet, keeping the ball close to the players body, allowing a player to change speed and direction easily.

Drop Ball

Ball dropped by the referee between two opposing players to restart a game after a play has been stopped for a no-penalty situation.

Goal Kick

Indirect free kick taken by a defending player from the defending team's goal area. A goal kick is awarded when a ball was last touched by the attacking team before going over the defending team's goal line (but not into the goal).

Half-Volley

When the ball is kicked after it bounces off of the ground.

Hand Ball

A ball touched illegally by a player's hand or arm.

Heading

Use of the head to shoot, pass, clear or control the ball.

Indirect Free Kick

Awarded to a team after a minor infraction, the ball is placed in a stationary position and may not be kicked directly into the opponent's goal without first being touched by another attacker.

Kickoff

A ball placed in the center spot at midfield and kicked forward by an attacking player, used to start the game at the beginning of each half and after a goal has been scored. A goal cannot be scored directly off the kickoff.

Linesman

Two officials, each equipped with a flag, who assist the referee from the touchlines by signaling offsides when a ball has gone out of bounds and when a foul has been committed. The referee may choose not to act on a linemen's call.

Mark

The act of guarding an attacking player.

Midfielder

Player who ordinarily is positioned in front of the defenders and behind the forwards, whose primary responsibility is to create a link between the defenders and forwards. Also called a "fullback."

Obstruction

Action of a player who impedes an opponent by standing in or moving into his path without attempting to play the ball.

Offsides

Position of an attacking player if he is between his opponent's goal line and the ball when the ball is played unless he is on his own half of the field or two opponents are no farther from the goal line than the attacking player. A player cannot be offside if he receives the ball directly from a corner kick, goal kick, throw-in, or drop ball situation.

GLOSSARY OF TERMS

Overlap

An attacking run by a defender that carries him past his own midfielders.

Penalty Kick

Direct free kick from the penalty spot after a major foul has been committed by the defending team in its own penalty area. The opposing goalkeeper must remain stationary on his goal line between the goal posts and other players must be outside the penalty area; the ball is kicked by an attacking player.

Pitch

Another name for the playing field.

Professional Foul

A foul, usually hard and from behind, in which a defender intentionally takes down a forward to disrupt a clear scoring opportunity, usually a breakthrough. The "professional foul" usually results in a yellow or red card.

Red Card (Ejection)

A disciplinary action taken by the referee against a player for violent conduct and/or serious foul play, foul or abusive language, or persistent misconduct after receiving a caution (yellow card). The offender is shown a red card and sent off the field. He may not be replaced by another player.

Referee

The official in charge of the match. Primary responsibilities include protecting the players and keeping the official time.

Save

A ball caught, deflected or otherwise prevented by the goalkeeper from going into the goal.

Shield

A dribbler who prevents an opponent from taking the ball by keeping himself between an opponent and the ball.

Shoot-Out

The tie-breaking procedure after regulation time. In a shoot-out, each team has five opportunities to score a goal in a one-on-one situation with the opposing goalkeeper. Each one-on-one situation begins with the goalkeeper in goal and the offensive player 35 yards away from the goal line. The player has five seconds to dribble the ball and shot on goal.

Stopper

A central defender whose primary responsibility is to mark the opposing center forward or striker.

Sweeper

A defender who is free to roam in front of and/or behind his team's defensive line.

Tackle

An attempt to dispossess an attacker of the ball. A common tackle is the slide tackle, which involves a sliding attempt to kick the ball away.

Through Pass

Pass that travels toward the goal between two or more defenders to a teammate, putting him in a position to shoot.

Throw-In

A throw executed by an attacking player from outside the touchline. A throw-in is awarded against a team that last touched the ball before it crossed the touchline. The player taking the throw-in must throw the ball onto the field over his head using both hands; he must also keep both feet on the ground either outside or on the touchline.

Trap

The use of the foot, thigh, chest, etc., by a player to bring a ball under control.

Volley

Kick taken before a ball bounces on the ground.

Wall

A line of three or more players positioned at least ten yards from the ball; used to help defend against a free kick.

Winger

An outside forward. Outside defenders are sometimes called "wingbacks."

ROCHESTER RHINOS TEAM HISTORY AND AWARDS

Over the last couple seasons, the W-league has once again emerged as the world's top women's league as WUSA takes another year to possibly re-launch the professional league.

The W-League will be an integral part of the development process for collegiate players with aspirations of becoming professional players.

The Rochester Ravens joined the W-League in 1996 finishing the season with an impressive 7-3 mark and clinching 4th place in league standings. The Ravens continued to fine tune the nucleus of players over the year improving their record to 8-2 in 1997 and hosting the League's Championship tournament in conjunction with a US National Team exhibition game. In 1998 the W-League split into 2 leagues the W-1 Elite and the W-2 Open. The Ravens stepped up to the W-1 league, which promoted a higher level of professionalism in the organization and nationwide travel. The Ravens finished the 1998 season with a 4-10 record dropping a number of close matches. In 1998, two High School stars, Abby Wambach and Casey Zimny, highlighted the Ravens roster. Abby had an impressive season ranking 7th in the league with 9 goals and 3 assists. Abby signed at Florida and Casey signed at Univ. of Connecticut. The Ravens struggled the following years posting 2-12 seasons with a number of key players retiring.

The Ravens hold the W-League attendance record for the largest single-game attendance, set in 1997 when they played host to the United States Women's National Team (1996 Olympic Gold Team), in an exhibition match against the Rochester Ravens at SUNY Brockport Special Olympic Stadium. A crowd of 9,131 fans crowded into the stadium for the event, which broke all records for any women's sporting event in Monroe County. The US National Team was invited for a week-long training camp including the exhibition match to continue to fine-tune for the upcoming World Cup. The US Team roster included Mia Hamm, Michelle Akers, Kristine Lilly, Julie Foudy, Brianna Scurry, Joy Fawcett, Tisha Venturini plus others.

In 2001 with the rise of the Women's United Soccer Association (WUSA), the W-League emerged in its new role as the developmental system for the nation's first Division I professional women's soccer league. The W-League saw 66 players drafted in the inaugural WUSA Draft, and 11 more in the Supplemental Draft. With tough financial problems over the first 3 years of operation the WUSA took a break from full-league schedule action in 2004 in hopes to reorganize and re-launch for 2005. After numerous meetings WUSA has determined to hold on to the 2005 season and look to re-launch in 2006.

The Ravens finished the 2004 season with an 8-6 record and advanced to the first round of playoffs. The Ravens have set high expectations for the 2005 season, with a goal of advancing to the National Final Four Tournament in New Jersey. The Ravens have partnered up with the nationally recognized Jr. Rhino Youth premier program to finalize the women's pyramid of development and create a powerful feeder program.

Game notes are prepared for each game and can be obtained in the press box and online at www.rhinosoccer.com.
